## OBJECTIVES & GOALS

The company's objectives and goals are to provide the clients with good services in a thoroughly professional manner at reasonable prices and personalized assistance to meet satisfaction of the customer. We look forward to new challenges, innovations and expansion of our services. Ultimately, we value the needs of the client, their business relationships and their reputation.

## METHODOLOGY

At DAK, We apply a consistent structure that assures no critical element is overlooked for every assignment and Make sure that it receives the unique treatment and a tailored approach.

Our methodology utilizes:

1. **Defined review and approval periods**
2. **Objective measurement of our progress**
3. **The flexibility to expand or contract scope**

Typically, we undertake projects in four phases:

1. **Identification of requirements**
2. **Preliminary and detail design**
3. **Development / Execution Stage**
4. **Handover and post-delivery support**

Our involvement before, during and after the the delivery allows us to provide an objective perspective, as well as to rapidly address any glitch that might occur during the project or attend to any snagging after delivery.

## HSE Policy Statement

The long-term business success of Dibaj Al Khaleej Decor depends on our ability to continually improve the quality of our services and products while protecting people and the environment. Emphasis must be placed on ensuring human health, Operational safety, environmental protection, quality enhancement, and community goodwill. This commitment is in the best interests of our customers, our employees and Contractors, and the communities in which we live and work. DAK decor requires the active commitment to, and accountability for, QHSE from all employees and contractors. We have leadership role in the communication and implementation of, and ensuring compliance with, QHSE policies and standards.

This Policy shall be regularly reviewed to ensure ongoing suitability. The commitments listed are in addition to our basic obligation to comply with global standards, as well as all applicable laws and regulations. This is critical to our business success because it allows us to systematically minimize all losses and adds value for all our clientele.

### WE ARE COMMITTED TO:

Protect, and strive for improvement of, the health, safety and security of our people at all times.

Meet specified customer requirements and ensure continuous customer satisfaction.

Set Quality & HSE performance objectives, measure results, assess and continually improve processes, services and product quality, through the use of effective system.

Plan for, respond to and recover from any emergency, crisis and business disruption.

Minimize our impact on the environment through pollution prevention, reduction of natural resource consumption and emissions, and the reduction and recycling of waste.

Apply our technical skills to all HSE aspects in the design and engineering of our services.

Communicate openly with employees and ensure an understanding of our QHSE policies standards, programs and performance.

Reward outstanding QHSE performance, Improve our performance on issues relevant to our clients and staff that are of global concern and on which we can have an impact, and share with them our knowledge of successful QHSE programs.
